SCIENCE ⚙️ TECHNOLOGY ⚙️ ENGINEERING ⚙️ MATH

June 17-20

1:00-2:00*

STEM Camp students will get the opportunity to try out some of the most recent additions to Venus ISDs technology...Ozobots, Merge Cubes, Cubelets, drones, and more!

This will be a hands on week where everyone gets a chance to learn one-to-one.

This Monday - Thursday course is open to any 3-8th grade student.

Parents must be able to provide transportation. Students must be able to attend all 4 days. Registration is limited to the first 10 students to sign up with complete form. If there is more interest another section will be opened up from 2:00-3:00.* Any questions call 972.366.8353.

Student Name _____ Grade completed _____

Phone # _____ Alternate Phone # _____

I understand that I must provide transportation to STEM Camp and that by signing up, my student has committed to attend all 4 days of the camp. Good behavior is expected and if my student cannot follow the rules his/her spot will be given to another student.

Parent Name _____ Parent Signature _____
