

The background of the entire page is a photograph of a stage. It features heavy, draped red curtains that are pulled back to reveal a wooden floor made of dark, polished planks. The lighting is soft, creating a warm and professional atmosphere.

## **Theatre**

**Theatre is among the offerings for students seeking a Fine Arts endorsement. Theatre classes encompass acting, theatre history, and playwriting as well as costume, makeup, lighting, set design and construction. Theatre is also an excellent alternative elective for students pursuing a CTE endorsement. Technical Theatre and Production, for example, are project based classes that require students to develop and utilize skills in measurement, design, construction, and electrical. Because theatre draws on a variety of skills, it is an excellent elective choice.**

**Courses offered:**

**Theatre Arts 1, 2, 3 and 4**

**Technical Theatre 1, 2, 3 and 4**

**Theatre Production 1, 2, 3 and 4**
